

Our **MISSION**

Improve the health and well-being of the community through local, high-quality and compassionate healthcare services.

Our **VISION**

To be a trusted and financially strong provider of high quality healthcare services who collaborates with others to creatively respond to the health needs of a diverse community.

Our **VALUES**

Compassion

We show empathy and care to our patients and their families.

Accountability

We fulfill our responsibilities to patients and to each other.

Respect

We treat each person with dignity, honesty and fairness.

Excellence

We provide a personalized and quality patient experience.

Stewardship

We use all resources wisely for the greatest good.
